52ND ANNUAL FALL CONFERENCE

An In-Person and Virtual Event

SPEAKERS: TIM BEER AND DR. STEVE PRICE

Last year, CMML celebrated its 100th anniversary, and now, in our 101st year, we want to renew our understanding of and commitment to the biblical foundations of the Great Commission. In this conference, we will consider the truths in God's Word that lay the groundwork for our responsibility in Christ's gospel mission today and explore our individual roles.

In 1997, Tim, who was born and raised in England, was commended to the Lord's work in Zambia by Crawley Gospel Hall. In 1999, Tim married fellow missionary Joy Logan. While based at Loloma Mission, they were involved in teaching the Bible in the public schools and assemblies, sharing the Gospel in the mission hospital and nearby villages, providing for a village for abandoned elderly, and managing the hospital and mission station. In 2021, they returned to the United States to help their three children—David, Daniel, and Kara—pursue post-secondary education, and they settled in York, Pennsylvania, where they fellowship at North York Gospel Chapel. Tim remains deeply involved in management at Loloma Mission and invests in and encourages the Zambian believers he has discipled over the years.
